

Certified Blueprint of We Facilitator Checklist to complete Your training

- Read the [Organization Introduction Blueprint for The Center for Collaborative Awareness](#)
- Attend 8 classes at the beginning of training and the 9th after you've created your 5 Blueprints.
- Complete assignments between classes. These are all located on the Facilitator Class Website under the [Assignments](#) dropdown menu.
- Prepare for a class presentation on one of the 5 Components and a Key Concept. These will be assigned during class. Use the slides and videos on the class website to re-engage your knowledge from class.
- Read and write a review/synopsis of a neuroscience book as it relates to the Blueprint of WE Collaboration Process. You can choose from the [Resources](#) list on the www.collaborativeawareness.com website, or pick your own.
- Write 5 Blueprints of We:
 1. Your Blueprint of Me
 2. A 1-page Organization Introduction Blueprint of We
OR
A 1-page Personal Introduction Blueprint of Me
 3. A Business Oriented Blueprint of We, you choose the relationship or team
 4. A Personal Oriented Blueprint of We, you choose the relationship
 5. A Blueprint of We type of your choosing
- Facilitate others in the Clarifying Conversation:
 1. Facilitate a 1-to-1 Clarifying Conversation for a classmates' Blueprint of Me
 2. Facilitate the Clarifying Conversation of one of your own Blueprints while a Certified Facilitator listens and gives feedback afterwards
 3. Facilitate the Clarifying Conversation of another person in your class
 4. Facilitate the Clarifying Conversation of a Blueprint you complete with another person(s)
- Your Final Requirement:

We want to know that you are capable of giving the 1-hour introduction or overview of the Blueprint of We Concept. Record a video in front of your computer giving your take on an introduction you would offer others.
- Afterwards:

If applicable: Schedule your first client or workshop. (Any number of attendees is fine.)

Write a *Laying the Foundation Exercise* for any type of relationship that would work in your area of interest. They will be reviewed by class members and made available to all facilitators.
